Close the loop is on Marlene's page: Jolene posts the payroll, Wesley creates the PO, Wade Ladouceur (Taan GM) receives the goods, Kiona sees it all approved — so the Purchasing count there covers four people.

Before you start: open the demo fresh, so every request, approval and pay run starts from the same place. Each page below lists the exact pages that person opens.

1

Home

Read “My summary”: hours this period, vacation left, latest pay, open requests.

Point out: Every role lands on a home page built for them.

2

My Time

Type 8 h Mon–Fri. On one day type 6 regular + **3 Banked OT** → red error. Change to **2** → Send for approval.

Point out: “10.00 h left” beside Banked OT; regular + banked never over 8.

3

My Time Off › Time off · Calendar

See the Banked overtime card next to Vacation · Sick · Personal. Request 2 days vacation. Open Calendar.

Point out: Banked hours aren't requested — they're used on the timesheet.

4

My Requests & Expenses

New: purchase request **\$28,500** grapple · expense **\$640** boots with receipt · travel request.

Point out: Each shows who it's waiting on, live.

5

My Tasks

Move a task's progress bar.

Point out: Managers see the change on their board.

6

My Profile — 7 tabs

Overview · Employment · Pay & benefits (own pension) · Time & time off · Reviews · Certificates (add one with a PDF) · Documents.

Point out: One row of tabs — no nested menus.

7

My Pay · My Documents

Open a pay statement; see T4 and policy documents.

Point out: Statements stay here all year — no paper slips.

8

People › Directory · Org chart

Find Tyler; press / anywhere to search.

Point out: Search only shows what this role may open.

9

Palette button · Feedback

Choose a look → Coastal → Dark → Done. Leave a Feedback note.

Point out: Look is saved on this device only.

My Time — the 8-hour banked rule

My Time Off — banked balance card

2. Tyler Bigstone · Manager

Taan Forest · Field Supervisor · Kiona's manager — A manager approves the team's work and runs the team board.

4 min 6 steps 6 pages

1

Home → Approvals

Open “Waiting on you” → Approvals with category chips.

Point out: Only his team's items appear.

2

Approvals › Kiona's timesheet

Open the timesheet (banked hours shown) → Approve.

Point out: Approved hours flow to payroll.

3

Approvals

Approve time off and the \$640 expense (done — under \$5,000). Approve the \$28,500 purchase and travel.

Point out: \$5,000 and over goes up to the CEO automatically.

4

My Team › Team · Timesheets · Time off

New task for Kiona on the board; check the team's timesheets and time off.

Point out: The board shows each task's progress.

5

Performance Reviews

Finish Kiona's manager review with a rating.

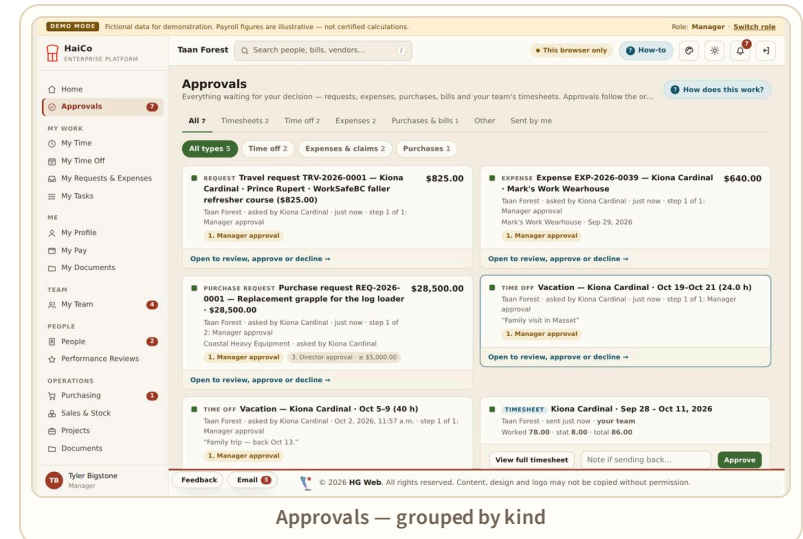

Point out: His menu shows only Performance Reviews.

6

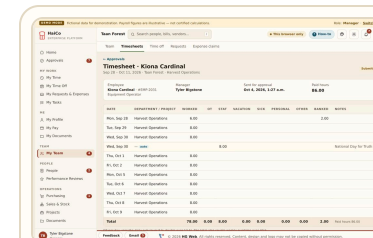

Documents › Contracts

Upload a grapple service contract (file required, amount optional) → open it.

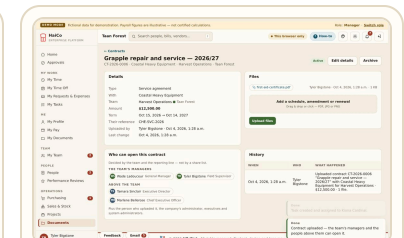

Point out: Who uploaded what, and when, is kept.

Approvals — grouped by kind

Kiona's timesheet, read-only

Contract with its history

3. Shawna Laboucan · HR Manager

HaiCo Corporate · all companies — HR keeps people records, time, reviews, benefits and pension up to date.

5 min 6 steps 11 pages

- 1 **People › Employees**
Search → open Kiona's record and its tabs.
Point out: Every change to a record is kept in its history.
- 2 **People › Onboarding › Hiring › Departments**
Add an employee → tick the onboarding checklist. Post a job opening (goes to the CEO). Show departments.
- 3 **People › Certificates**
Send a renewal reminder for an expiring ticket.
Point out: The reminder is written into the history.
- 4 **Time & Attendance › Timesheets › By pay period › Time off**
Check who hasn't sent; see balances incl. banked overtime.
Point out: Banked overtime shows with the other balances.
- 5 **Reviews, Benefits & Pension**
Start a review cycle · enrol someone in Dental · Pension: enrol Hunter Paul, Change a rate, Download.
Point out: HR edits; Finance and Payroll only view.
- 6 **Employee record › End employment**
End an employment → a draft Record of Employment goes to payroll.
Point out: Payroll gets it straight away — nothing to pass on.

An employee record

Pension — members and remittances

End employment → draft ROE

1

Approvals

Only bill INV-10245 is his → approve.

Point out: Kiona's requests are not routed to Finance.

2

AP › Employee claims › Employee requests

Pay back Kiona's \$640.

Point out: A claim goes from approved to paid in one click.

3

AP › Bills › Vendors › Files

New bill with the invoice file → payment batch.

Point out: Every bill keeps its invoice file.

4

Purchasing › Matching

Run the 3-way match (PO · receipt · bill).

Point out: Differences are flagged before anything is paid.

5

AR › Invoices › Banking

New invoice → record a deposit. Load a sample statement → auto-match.

Point out: Matched lines clear themselves.

6

Accounting — 8 tabs

Overview · Journal entries · Recurring (run due) · Month-end · Fixed assets · Budgets · Chart of accounts · Inter-company.

Point out: A closed month can't be back-dated into.

7

Sales & Stock › Projects

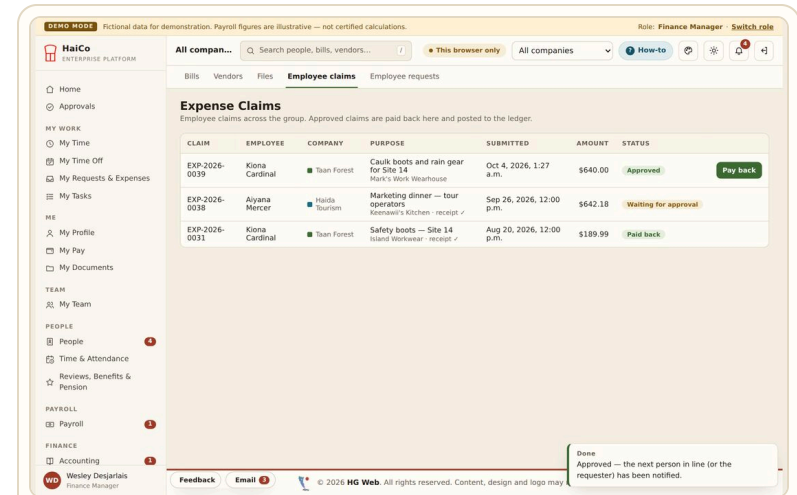

Sales orders · Shipments · Stock · Items; projects budget vs spent.

Point out: Stock levels suggest what to reorder.

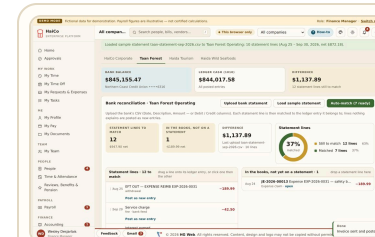

8

Documents › Reviews, Benefits & Pension › Reports

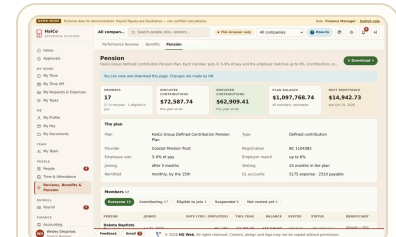

All files; benefits & pension **view + Download only**; Reports → Trial balance.

Employee claims — pay back

Bank auto-match

Pension — view + download only

5. Jolene Ermineskin · Payroll Administrator

HaiCo Corporate · new sign-in — Payroll has a run ready to go — calculate, send, file.

3 min 5 steps 8 pages

1

Payroll › Pay runs

Open **PR-2026-0019** HaiCo Corporate (Sep 14–27).

Point out: Everything is ready — no setup on stage.

2

Pay run

Calculate → 6 people, no warnings → **Send for approval**.

Point out: It now waits on the CEO.

3

Payroll › Records of Employment › CRA remittances

Issue the ROE Shawna started; record the PD7A.

Point out: Each is tracked to its due date and who filed it.

4

Payroll › Statements › Year-end › Settings

Pay statements, T4 boxes, tax tables.

Point out: T4 boxes add up from the posted runs.

5

Time & Attendance › By pay period

Who is approved for the next run.

Point out: Benefits and pension are view + download for payroll.

PR-2026-0019 ready to go

6. Marlene Bellerose · CEO

HaiCo Corporate · Executive Director approvals — The CEO approves the big items and sees the whole group.

3 min 4 steps 8 pages

1

Home

Revenue · expenses · profit · payroll; approve **payroll**, the **\$28,500** purchase and the job opening right there.

Point out: Nothing sits in an inbox — approve with a note, right there.

2

Documents · Contracts

Every team's contracts, values and end dates.

Point out: Each contract shows who uploaded it and when it ends.

3

Reports · History

Income statement · Balance sheet · Headcount; History of today.

Point out: Each company side by side, plus the whole group.

4

Close the loop — switch quickly

Jolene posts the payroll · **Wesley**: Purchasing › Requests → Create PO · **Wade Ladouceur**: Purchasing › Receiving · **Kiona**: requests approved, notifications.

Point out: Request → approval → PO → goods, all linked.

Home — the group at a glance

Profit & Loss, company by company

Close the loop — goods received

PAGES OPENED (8)

/dashboard /approvals /documents/contracts /reports
/history /procurement/requests /procurement/pos
/procurement/receiving

1

Administration › Users & access · Companies

Show Jolene's Payroll Administrator role; the four companies.

Point out: Roles decide every menu a person sees.

2

Administration › Approval rules

Change a threshold (e.g. \$5,000 → \$10,000).

Point out: Manager first; Director above the threshold.

3

Administration › Audit log · Feedback

Every click of the demo, who and when; resolve Kiona's note.

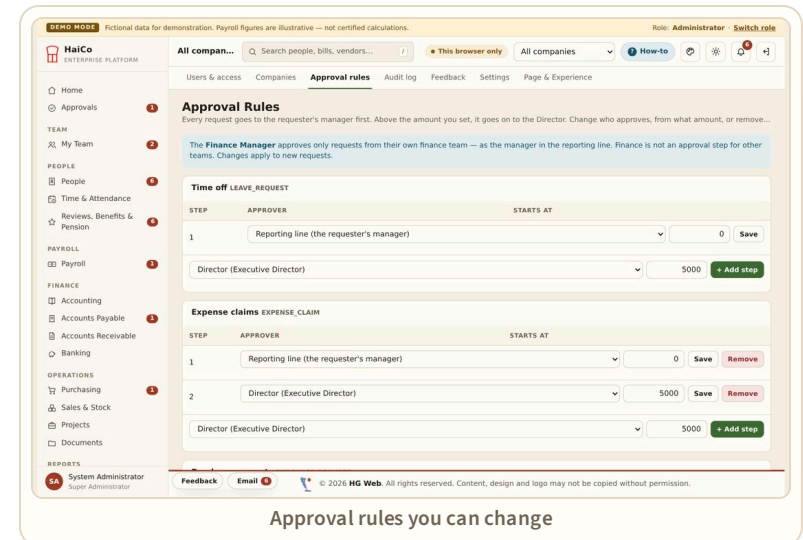

Point out: Nothing happens without a record of it.

4

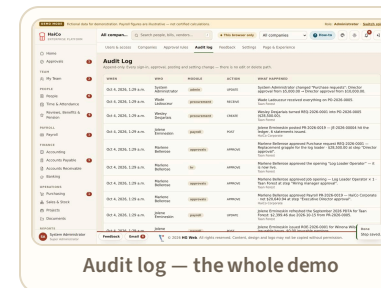

Page & Experience · Settings · How-to

Menus, pages, terminology, versions; demo settings; how-to guides.

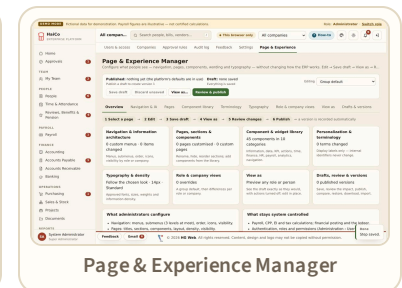

Point out: Menus and wording change without code.

Approval rules you can change

Audit log — the whole demo
