Close the loop is on Tamara's page: Jolene posts the payroll, Wesley creates the PO, Wade Ladouceur (Taan GM) receives the goods, Kiona sees it all approved — so the Purchasing count there covers four people.

Before you start: open the demo fresh, so every request, approval and pay run starts from the same place. Each page below lists the exact pages that person opens.

1. Kiona Cardinal · Employee

Taan Forest · Equipment Operator — Everything an employee does for themselves — time, time off, requests, profile, documents.

6 min 9 steps 15 pages

1

Home

Read “My summary”: hours this period, vacation left, latest pay, open requests.

Point out: Every role lands on a home page built for them.

2

My Time

Type 8 h Mon–Fri. On one day type 6 regular + **3 Banked OT** → red error. Change to **2** → Send for approval.

Point out: “10.00 h left” beside Banked OT; regular + banked never over 8.

3

My Time Off · Calendar

See the Banked overtime card. Request 2 days vacation. Open Calendar.

Point out: Banked hours are used on the timesheet, not requested.

4

My Requests & Expenses

New: purchase request **\$28,500** grapple · expense **\$640** boots with receipt · travel request.

Point out: Each shows who it's waiting on, live.

5

My Tasks

Move a task's progress bar.

Point out: Managers see the change on their board.

6

My Profile — 5 tabs

Overview · Employment · **Pension & Benefits** (own pension) · Reviews · Certificates (add one with a PDF).

Point out: Time off lives in My Time Off; documents in My Documents.

7

My Pay · My Documents

Open the **T4 2025** → Preview → **Download PDF**. Same for a pay statement and the Employee Handbook.

Point out: Every document previews on screen and downloads as a PDF.

8

People › Directory · Org chart

Find Tyler; press / anywhere to search.

Point out: Search only shows what this role may open.

9
