

HaiCo demo — pick your workflow

Five ways to present the same system. Each has its own flowchart on the next pages. Choose by who's in the room and how much time you have.

Every option: pick a name in the sign-in list → **OK** (no password). Change person with **Switch role** (top right). The list is already sorted in presentation order.

The Relay

Person by person — every page in the system

25 min

8 sign-ins

KC TB SL WD JE MB WL SA

① Purchase — \$28,500 grapple

Shows: thresholds, two-step approval, PO, receiving

② Expense — \$640 safety boots

Shows: one-step approval, reimbursement

③ Pay run — HaiCo Corporate salaried

Shows: banked OT rules, payroll controls, posting

④ Prove it

Shows: rules are editable, nothing is hidden

Tip: keep two browser tabs open — present in one, use the other to switch person quickly.

Thresholds: under \$5,000 the manager's approval is enough; \$5,000 and over also goes to the CEO.

Finish strong: the Audit log shows every click above, with who and when.

Department Tour

One module at a time, in plain order

20 min

8 sign-ins

1 SL Shawna

People & HR

- Employees · Kiona's record
- Add employee → onboarding
- Hiring · Departments · Org chart

Say: "Every person's record, from first day to last."

2 KC TB Kiona + Tyler

Time & time off

- Timesheet: banked OT ≤ balance, ≤ 8 h/day
- Time off with balances · Calendar
- Tyler approves both

Say: "Hours and time off fill in by themselves — the rules are built in."

3 SL WD Shawna + Wesley

Reviews, Benefits & Pension

- Shawna: review cycle · enrol · pension
- Wesley: same pages, view + download
- Employee sees own pension

Say: "HR keeps it current; Finance can see it but not change it."

4 JE Jolene

Payroll

- Ready run → Calculate → Send
- ROE · PD7A remittance
- Statements · Year-end

Say: "From approved hours to pay statements, with a check at every step."

5 WD Wesley

Finance

- AP bills · payment batch · claims
- AR invoice · bank auto-match
- Month-end · budgets · assets

Say: "Bills, payments, the bank and month-end in one place."

6 KC WD WL 3 people

Purchasing & stock

- Kiona's request → PO
- Wade receives · 3-way match
- Stock · items · sales orders

Say: "From a request to goods received, matched to the bill."

7 MB SA Marlene + Admin

Reports & control

- Marlene: P&L · balance sheet · history
- Admin: approval rules · audit log
- Page & Experience · Settings

Say: "Every number, and a record of who did what."

Tip: let each department head take the mouse for their own stop.

Order: people first, money last — it follows how work flows through HaiCo.

Skip freely: each stop stands on its own.

Executive 10-Minute

Mostly the CEO's view, a few big wins

10 min

2 sign-ins

5 minutes before: as Kiona send the \$28,500 request · as Tyler approve it · as Jolene calculate and send PR-2026-0019 · as Shawna post a job opening. Then present only as Marlene.

1 MB Marlene

The CEO's home page

- Sign in as Marlene → OK
- Revenue · expenses · profit · payroll
- “Waiting on you” list on the same page

Say: “One screen tells you how the whole group is doing.”

2 MB Marlene

Approve in one click

- Right on the home page:
- payroll PR-2026-0019 · \$28,500 purchase
- the job opening — each with a note

Say: “Nothing sits in an inbox — approve with a note, right here.”

3 MB Marlene

The numbers

- Profit & Loss: each company side by side
- Balance sheet · Headcount
- Download to Excel / PDF

Say: “Each company side by side, plus the whole group.”

4 MB Marlene

Contracts, all teams

- Who signed what, for how much
- When each one ends
- Who uploaded it, and when

Say: “Every contract, its value and its end date, in one list.”

5 SA Admin

Nothing is hidden

- History: everything today
- Audit log: who did what
- Approval rules you can change

Say: “Every action is recorded — who, what and when.”

6 MB Marlene

Make it yours

- Palette → Choose a look
- 5 looks · light / dark
- Saved per device

Say: “Each person picks how it looks, just for them.”

Say it in one line: “Everything waiting for you, the numbers, and a full record of who did what — in one place.”

Questions? Switch to Option C's stops for any area they ask about.

1 KC Kiona

Banked overtime

- Balance next to Vacation · Sick
- Timesheet: 6 + 3 → red error
- “10.00 h left” beside the column

Say: “Banked hours can't be overspent, and you always see what's left.”

2 KC Kiona

Profile in one row

- Overview · Employment · Pay & benefits
- Time & time off · Reviews
- Certificates · Documents

Say: “Everything about you, one click away.”

3 KC Kiona

Choose a look

- Palette button → popup
- Haida Gwaii · Coastal · Cedar Bark · Spruce · Slate
- Light / Dark / Follow my device

Say: “Five looks — your choice stays on your device.”

4 SL WD Shawna + Wesley

Reviews, Benefits & Pension

- Shawna: enrol · change a rate
- Wesley: view + download only
- 6 plans · group pension

Say: “HR edits; Finance and Payroll can look and download.”

5 JE Jolene

Payroll Administrator

- New sign-in, 5th in the list
- PR-2026-0019 ready to go
- Calculate → Send → CEO

Say: “Payroll is ready the moment they sign in.”

6 KC Kiona

Smoother & sorted

- Login list = presentation order
- Pages glide in only on arrival
- New fonts and colours

Say: “The list follows the demo, and pages move smoothly.”

Start with: “Since last time, we've added...” then click straight to each one.

Rules to say out loud: banked hours never exceed the balance; regular + banked ≤ 8 h a day.

Access: HR edits benefits & pension; Finance and Payroll view and download.
