sign-ins · 81 pages

The story: Kiona plans a trip, buys a life jacket, claims a coffee run and books a day off. Tyler decides. Nadia and Wesley process and pay. Shawna hires, Jolene runs payroll, Wade gets it when Tyler is away, Tamara and Marlene decide the big ones, and the administrator shows the record of it all.

	SIGN IN AS	FUNCTIONS SHOWN	DO THIS (IN ORDER)
1	Kiona Cardinal Employee	Home · Requests (travel, card, travel claim, expense claim, PO) · Time off · Timesheet with banked OT · My Tasks · My Pay · My Documents	1. Home: the summary tiles and Needs your attention. 2. New Travel Request (\$1,200) and New Credit Card Purchase — no card number, no price; note “Goes to Tyler”. 3. New Purchase Order over \$5,000 — director level will be needed. 4. Time off: request two days; the balance check before sending. 5. My Time: type a 10-hour day → overtime goes to Banked OT at 1.5×, live. Submit.
2	Tyler Bigstone Manager	Approvals (approve, return with a comment, decline) · My Team · timesheet approval · Request access · Purchasing · Projects	1. Approvals: approve the travel; return the card purchase (“add the link”); approve the PO — it moves to director level. 2. Approve Kiona's time off and her timesheet; her banked OT is confirmed. 3. My Team > Request access: let Kiona raise requests for a colleague. 4. Email panel: the Outlook-style messages this produced.
3	Nadia Morin Accountant	Finance queue (process with GST/PST, pay a claim) · Accounts Payable (new bill needs account + department) · Accounts Receivable + Customers · 3-way match · Finance > PO · Rates & coding (needs approval) · Banking · Reports	1. Finance queue: process Kiona's travel — \$1,000 + GST + PST, attach the confirmation; the ledger entry posts. 2. Record an expense claim as paid. 3. New bill: the account and department are required. 4. Customers: add one. Matching: a bill with two POs. 5. Finance > PO: where each PO is; open one, view only. 6. Rates: change mileage → it waits for Wesley.
4	Wesley Desjarlais Finance Manager	Approvals (rate change, bills) · Month-end · Inter-company · Payroll pages · At a glance on Home	1. Home: At a glance at the top. 2. Approvals: approve Nadia's rate change — Rates & coding shows the history. 3. Payroll > Pay runs: open a run; banked overtime is not paid twice. 4. Month-end checklist.
5	Shawna Laboucan HR Manager	Hiring requests · Onboarding · Employees · Time & Attendance (everyone's time off and timesheets) · Stat holidays · Certificates	1. Home: hiring requests in Needs your attention. 2. Hiring requests: approve one; it becomes a job posting. 3. Payroll > Stat holidays: add one — timesheets pick it up. 4. Time & Attendance > Time off: everyone's balances.
6	Jolene Ermineskin Payroll Administrator	Timesheets by pay period · hours report · pay statements · CRA remittances · year-end (T4, ROE)	1. By pay period: who has submitted; the report unlocks when all are approved. 2. Year-end: a T4 preview.
7	Wade Ladouceur Company Administrator	The away rule · All requests (own company only) · Receiving	1. Approve a full day off for Tyler (today). 2. Switch to Kiona, submit anything: it goes to <i>Tyler or Wade</i>. Back as Wade: it's in Approvals; approve it — gone from Tyler's list. 3. Receiving: receive a purchase order.
8	Tamara Sinclair Executive Director	Director level · All requests (read only) · executive Home	1. Approvals: Kiona's PO over \$5,000 — approve; the one-page PO prints with the logo. 2. All requests: everything, read only.
9	Marlene Bellerose CEO	Same pages as Tamara · director level when Tamara is away	1. Approvals: decide the \$6,000 card purchase waiting at director level. 2. Home: Company at a glance for the group.
10	System Administrator Super admin	Users & access · Approval rules · Audit log · Email templates · Companies · Page & Experience	1. Audit log: every step from 1–9, who and when. 2. Approval rules: the \$5,000 director limit. 3. Email templates: edit one line of wording.

Timing: about 3 minutes a sign-in; 30 minutes for the whole story. Steps 6 and 9 can be skipped if time is short — nothing later depends on them.

If something is asked that isn't in the demo: “Good question — I'll write it on the page and it goes into the next round.” Press Request a change on that page.
